I'm only a 6- month old beginner in the harp instrument and intend to play it till Christ comes, or the Rapture occurs, whichever is first! Thank you for the easy arrangements. I learned music notes because I studied violin. I love the piano and it helps me a lot when the arrangement is easy. Thank you very much for your site. I hope you know that you are loved by God and that He cares deeply for you. He is called the Bridegroom, so if you could imagine being in love with someone and how they would lavish love upon you...so it is with Him. He is not some big bad guy waiting to pounce upon unsuspecting people. To the contrary, He is gentle, abounding in love, most faithful, merciful, and He brings lasting peace when nothing is going your way. Have a blessed day!
